

DEPARTMENT OF THE TREASURY
WASHINGTON, D.C.

SECRETARY OF THE TREASURY

DETERMINATION

WHEREAS, section 101 of the Emergency Economic Stabilization Act of 2008 (the “Act”) authorizes the Secretary of the Treasury (the “Secretary”) to establish the Troubled Asset Relief Program (the “TARP”) to purchase, and to make and fund commitments to purchase, troubled assets from any financial institution, on such terms and conditions as are determined by the Secretary, and in accordance with the Act and the policies and procedures developed and published by the Secretary;

WHEREAS, section 3(5) of the Act defines the term “financial institution” to mean any institution, including, but not limited to, any bank, savings association, credit union security broker or dealer, or insurance company, established and regulated under the laws of the United States, the District of Columbia, Commonwealth of Puerto Rico, Commonwealth of Northern Mariana Islands, and having significant operations in the United States, but excluding any central bank of, or institution owned by, a foreign government.

WHEREAS, section 3(9)(A) of the Act defines the term “troubled assets” to mean residential or commercial mortgages and any securities, obligations, or other instruments that are based on or related to such mortgages, that in each case was originated or issued on or before March 14, 2008, the purchase of which the Secretary determines promotes financial market stability;

WHEREAS, section 3(9) (B) of the Act further defines the term “troubled assets” to mean any other financial instrument that the Secretary, after consultation with the Chairman of the Board of Governors of the Federal Reserve System (the “Chairman”), determines the purchase of which is necessary to promote financial market stability, but only upon transmittal of such determination, in writing, to the appropriate committees of Congress;

WHEREAS, section 3(1) of the Act defines the term “appropriate committees of Congress” to mean the Committee on Banking, Housing, and Urban Affairs, the Committee on Finance, the Committee on the Budget, and the Committee on Appropriations of the Senate; and the Committee on Financial Services, the Committee on Ways and Means, the Committee on the Budget, and the Committee on Appropriations of the House of Representatives;

WHEREAS, certain thrift and other holding companies which are engaged in the manufacturing of automotive vehicles and the provision of credit and financing in connection with the manufacturing and purchase of such vehicles have applied under the TARP Systemically Significant Failing Institutions Program (the “SSFI”) requesting that the Department of the Treasury purchase obligations of such companies consistent with the SSFI;

WHEREAS, such thrift and other holding companies engaged in the manufacturing of automotive vehicles and the provision of credit and financing in connection with the

manufacturing and purchase of such vehicles are “financial institutions” for purposes of section 3(5) of the Act as they are “institution[s]” established and regulated under the laws of the United States and have significant operations in the United States; and,

WHEREAS, as Secretary, I have consulted with the Chairman, and we have jointly concluded that the TARP’s purchase of the obligations is necessary to promote stability to the financial system of the United States.

NOW, THEREFORE, I HEREBY DETERMINE that the obligations of such financial institutions are financial instruments the purchase of which is necessary to promote stability to the financial system of the United States, and, as such, are “troubled assets,” as that term is defined in section 3(9)(B) of the Act, and eligible to be purchased under the TARP; and

I HEREBY direct that this determination be transmitted to the appropriate committees of Congress.
